DDK is a Melbourne based, family owned manufacturing and wholesale business that has operated on the leading edge of design in Australia for 45 years.

DDK intimately understands the needs of today's commercial office fitout needs; and can offer individual custom pieces through to turnkey office - fitout solutions.

DDK proudly provides premium quality office furniture and joinery to over 400 industry professionals and trades Australia wide.

The strength of DDK comes from its skilled, passionate and committed team of 60 plus persons working from state - of - the - art plants in both Melbourne and Sydney. Through their expert team DDK can offer consultancy and design services; backed by in - house manufacturing, importation of select items, delivery and expert installation.

DDK boasts extremely short response times to industry needs thanks to its generous warehousing; allowing stock holding that can be ready to move in step with project timelines.
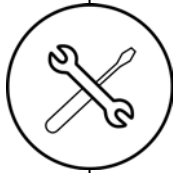

DDK prides itself on its capable project management, working collaboratively with authorised dealers, builders, interior designers, architects and office fitout companies to ensure that projects are delivered on spec, on time, and on budget. DDK is looking forward to partnering with you to make your next project a seamless and stylish reality.
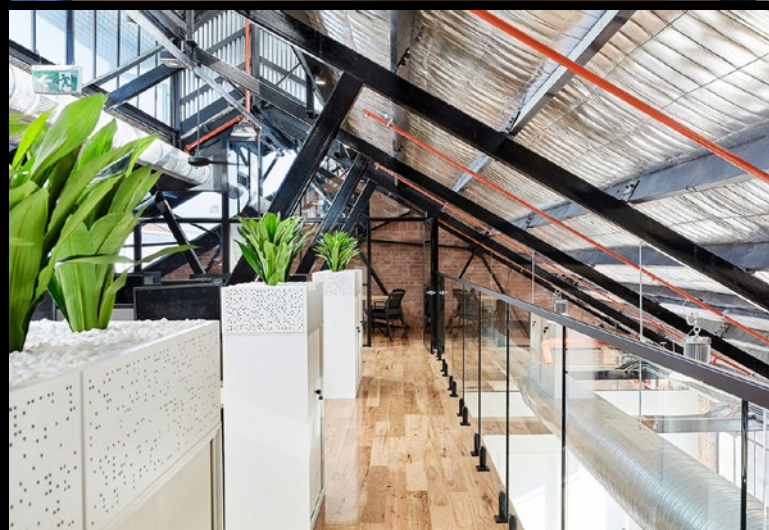

DESIGN

An expert team can offer consultancy and design services; with the help of 2D and 3D drawings and interior planning, to turn your concept into a reality.

CUSTOM SOLUTIONS

DDK's extensive plant and equipment, complimented by our highly skilled workforce make customized solutions a simple and easy process, from flat panel timber products, to metal fabrication, along with frame, screen and storage solutions. We have all this capacity and capabilities in house.

PROJECT MANAGEMENT

DDK prides itself on its capable project management team working collaboratively with builders, fitters, interior designers and architects; to ensure that projects are delivered on spec, on time and on budget.
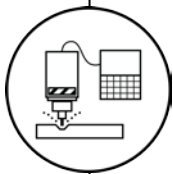

MANUFACTURE

DDK is a local manufacturer and large scale importer of turnkey furniture solutions. Our skilled cabinetmakers and machinists work with a wide range of Australian raw materials and state of the art machinery to provide a complete solution for any budget.

WAREHOUSING

DDK boasts extremely short response times to industry needs thanks to its generous warehousing; allowing stock holding that can be ready to move in step with project timelines.
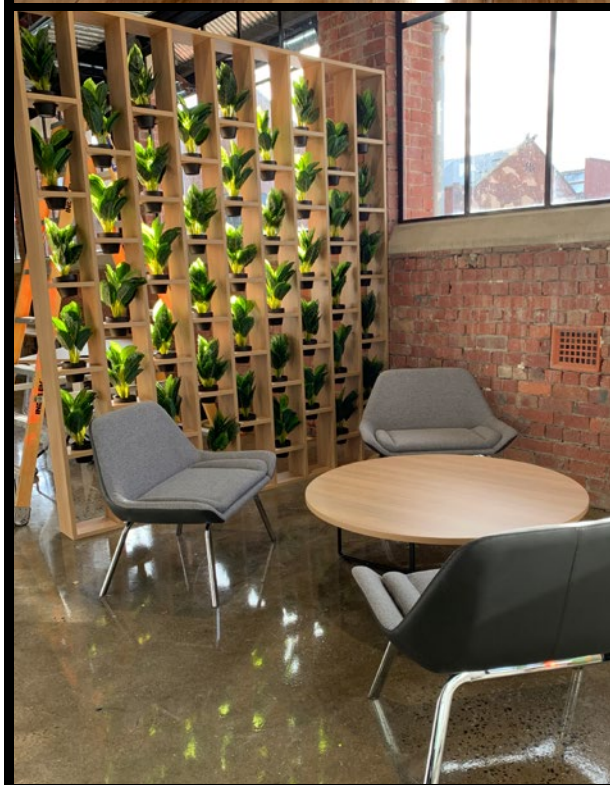

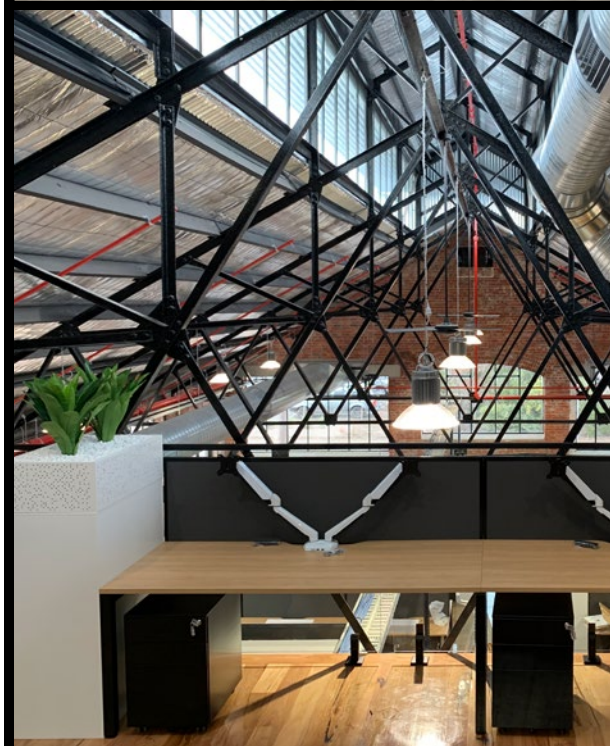

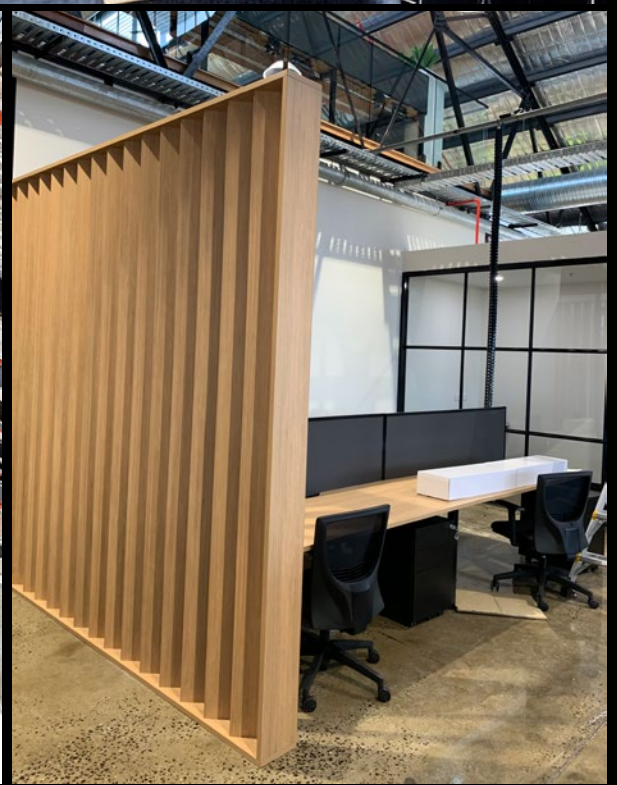

DELIVERY & INSTALLATION

DDK's large fleet of trucks manned by highly skilled technicians deliver to Melbourne and Sydney Metro, ensuring your product is handled from end to end.

SELECTRIC SIT/ STAND

SELECTRIC RANGE

The Selectric utilises European design and technology and is constructed with a sturdy steel frame, being powered by motor drives. Maximum height is achieved via telescopic legs. The Selectric operation allows the user to easily adjust the worktop height to their individual preference. The master controller also allows the user to set the minimum and maximum heights as well making it perfect for the home or corporate office alike.
